Lennox' quietest  
heat pump

# Dave Lennox *Signature*<sup>™</sup> Collection HPX15 Heat Pump

Innovation never felt so good.<sup>™</sup>

Patented SilentComfort<sup>™</sup> technology provides smooth, quiet cooling and heating

Efficient design can result in significant energy savings

Ozone-responsible R410A meets the EPA's (Environmental Protection Agency) most stringent environmental guidelines

Lennox<sup>®</sup> System Operations Monitor reviews system performance for additional peace of mind and faster, easier servicing

ENERGY STAR<sup>®</sup>-qualified

Comfort is something you should feel—not hear. Engineered with exclusive SilentComfort<sup>™</sup> technology, the HPX15 heat pump offers the ultimate in quiet cooling and heating. It keeps sound at a minimum, so you can sit on your patio without having to worry about noise disrupting your comfort.

## THE IDEAL COMBINATION OF COMFORT AND QUIET, RELIABLE PERFORMANCE

The HPX15 not only provides “peace and quiet”—it also offers peace of mind. The exclusive Lennox System Operations Monitor continually monitors system performance, helping technicians solve problems faster and more accurately. And, like all Lennox<sup>®</sup> products, the HPX15 is built to deliver exceptional reliability—season after season, year after year.

### EFFICIENCY RATING

Up to **14.75 SEER** (Seasonal Energy Efficiency Ratio) and **8.50 HSPF** (Heating Season Performance Factor).

### WARRANTY

10-year limited warranty on the compressor.

5-year limited warranty on all remaining covered components.

### SOUND INTENSITY

In terms of sound, installing an HPX15 is like moving the nearest neighbor almost 4 times farther away

## OUTSTANDING FEATURES FOR EXCEPTIONAL COMFORT AND EFFICIENCY

**SilentComfort™ Fan Grill** – Uses patent-pending, vortex suppression technology to reduce sound of airflow exiting unit.

**Factory-Installed Lennox® System Operations Monitor** – Continually reviews system performance to allow fast troubleshooting.

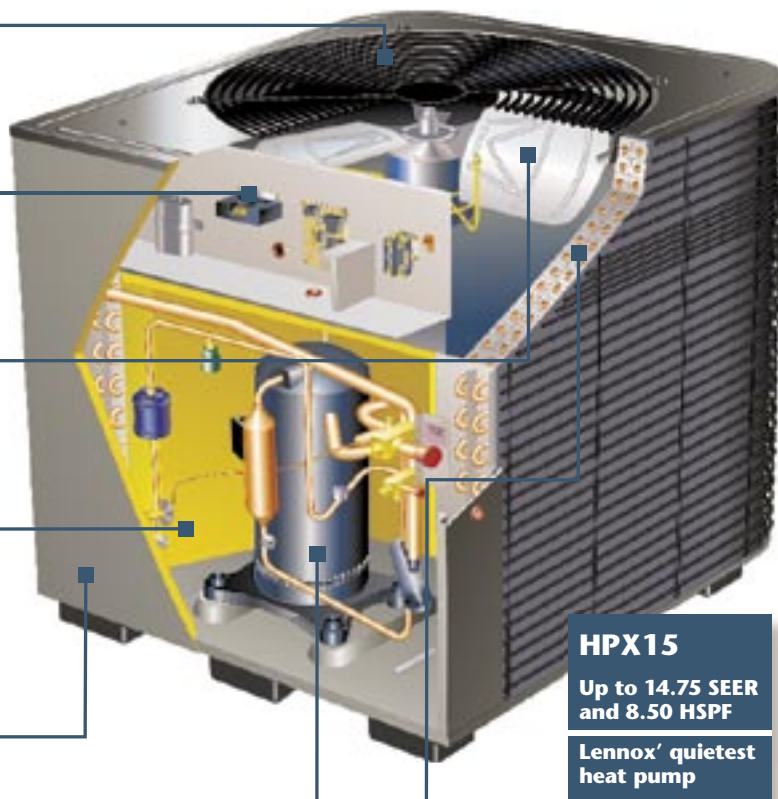

**Precision-Balanced, Direct-Drive Fan** – Delivers ultraquiet operation with a patent-pending fan design.

**Insulated Compressor Compartment** – Minimizes operating sounds with innovative materials and industry-leading, vibration-isolating mounts.

**Durable, Corrosion-Resistant Cabinet** – Constructed of heavy-gauge, galvanized steel and protected by a baked-on finish.

**Dependable Copeland Scroll™ Compressor** – Provides smooth, efficient and reliable operation.

**High-Efficiency Outdoor Coil** – Provides exceptional heat transfer and low air resistance for high-efficiency operation.

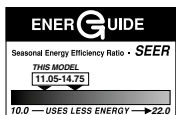

**HPX15**  
Up to 14.75 SEER and 8.50 HSPF  
Lennox' quietest heat pump

*Note: Due to Lennox' ongoing commitment to quality, all specifications, ratings and dimensions are subject to change without notice. Warranties noted apply to residential applications only and are limited. Please see actual warranty for details.*

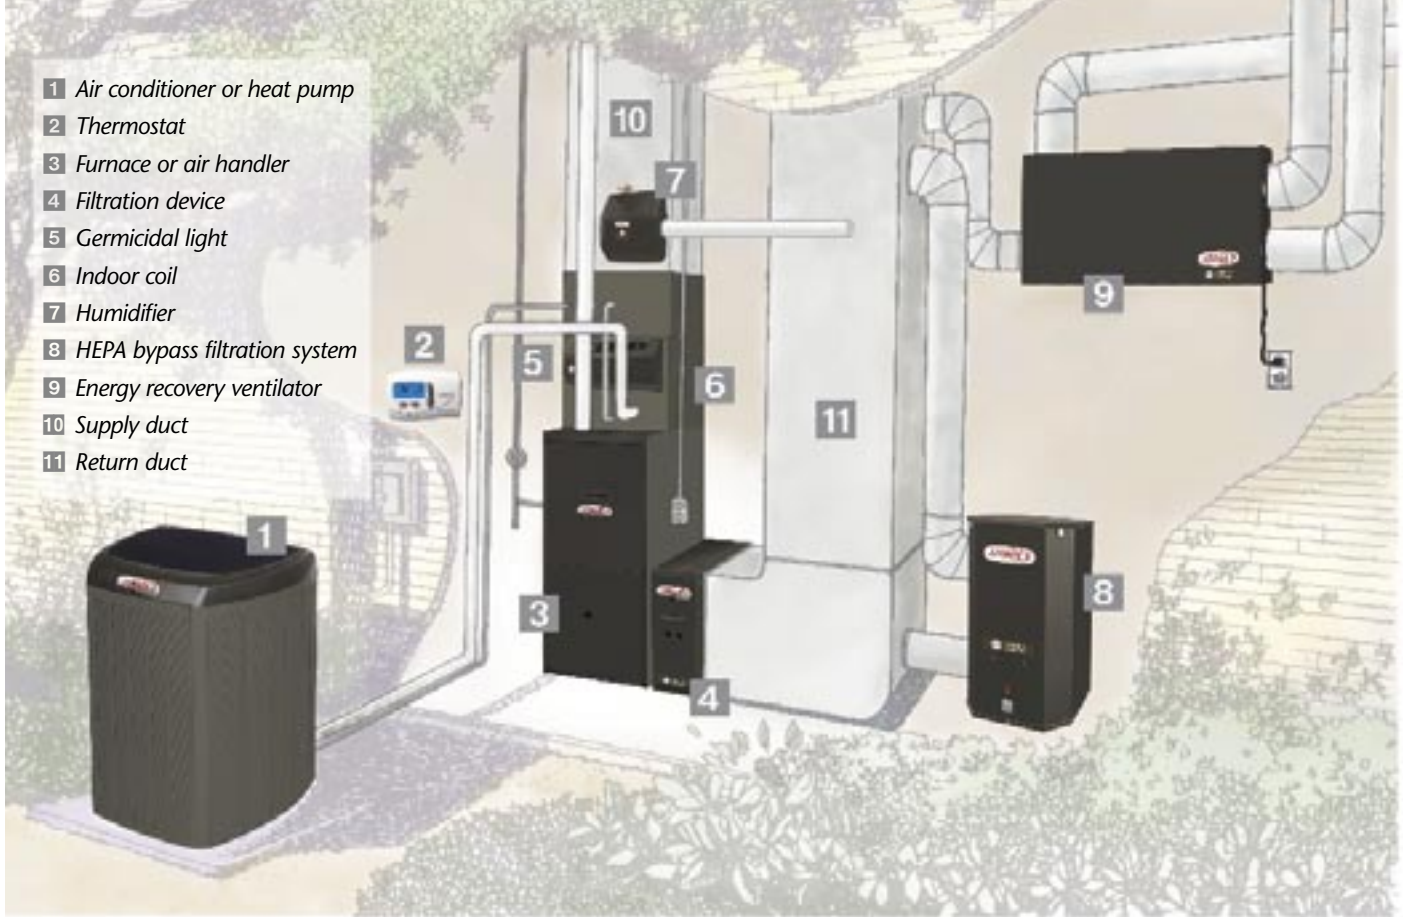

Many Lennox® home comfort systems meet ENERGY STAR® requirements when used with appropriate components. Ask your dealer for details.

Lennox is proud of the fact that these products have earned the Good Housekeeping Seal.

Certification applies only when used with proper components as listed with ARI

## CONTINUOUS COMFORT NETWORK

Lennox® heating, cooling and indoor air quality products are designed to provide efficient, economical comfort—not only as individual units, but also together as an integrated system. This combined network of products delivers on every comfort count, from consistent temperatures and balanced humidity to improved indoor air quality.

## DEALERS YOU CAN COUNT ON

Choosing the right dealer for your heating, cooling and indoor air quality needs is every bit as important as choosing the right brand. We think you'll agree our independent dealers are a big reason you can count on quality customer service when you call.
